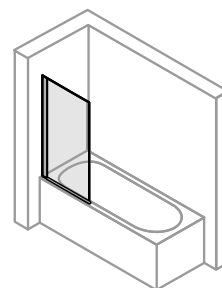

Diagram 1 illustrates the assembly of the door frame and door panel. The components are labeled as follows:

- 1**: Screws for the top frame.
- 2**: Screws for the side frame.
- 3**: The main door panel.
- 4**: Screws for the top frame.
- 5**: Screws for the side frame.
- 6**: The bottom frame rail.
- 7**: The bottom frame rail.
- 8**: The bottom frame rail.
- 9**: Screws for the top frame.
- 10**: Screws for the side frame.

The diagram shows the door panel (3) being inserted into the frame (6, 7, 8). The frame is secured with screws (1, 2, 4, 5, 9, 10). A detail view shows the screws (9) being inserted into the top frame.
