

[illegible]

-

This exploded view diagram illustrates the components of a window blind assembly. The parts are numbered as follows:

- 1**: Vertical slat with a top mounting bracket.
- 2**: Vertical slat with a bottom mounting bracket.
- 3**: Large rectangular panel, likely the back cover or a large slat.
- 4**: Small rectangular component, possibly a spacer or end cap.
- 5**: Small circular component, possibly a cap or end cap.
- 6**: Vertical slat with a top mounting bracket.
- 7**: Horizontal slat.
- 8**: Triangular component, possibly a corner bracket or end cap.
- 9**: Small rectangular component, possibly a spacer or end cap.
- 10**: Small rectangular component, possibly a spacer or end cap.
- 11**: Horizontal slat.
- 96**: Small rectangular component, possibly a spacer or end cap.

The diagram shows the assembly of these parts into a window blind structure. A dashed box highlights the connection of parts 1 and 2 to part 9. Another dashed box highlights the connection of parts 6 and 7 to part 8. A third dashed box highlights the connection of parts 11 and 12 to part 96.
