This diagram illustrates the exploded view of a door assembly. The components are numbered as follows:

- 1**: Top edge of the door frame.
- 2**: Bottom edge of the door frame.
- 3**: The main door panel.
- 4**: Right edge of the door frame.
- 5**: Left edge of the door frame.
- 6**: Bottom threshold or sill.
- 7**: Right edge of the door panel.
- 8**: Bottom hinge or support bracket.
- 9**: Top hinge or support bracket.
- 10**: Locking mechanism components, including a handle and a lock cylinder.
- 11**: Locking bolt or pin.
- 12**: Locking pin or bolt.
- 98**: A small inset showing a warning symbol and text, likely a safety instruction.

The diagram shows the door panel (3) being inserted into the frame (1, 2, 4, 5). The locking mechanism (10) is shown being attached to the door panel (3) and the frame (1, 2). The hinges (9) are shown being attached to the top of the door panel (3) and the frame (1). The bottom threshold (6) is shown being attached to the bottom of the door panel (3). The bottom hinge (8) is shown being attached to the bottom of the door panel (3) and the frame (2). The locking pin (11) is shown being inserted into the lock cylinder (10).
