This exploded view diagram illustrates the components of a door assembly. The parts are numbered as follows:

- 1**: Vertical frame or trim piece on the left.
- 2**: The main door panel.
- 3**: Vertical frame or trim piece on the right.
- 4**: Small rectangular components, likely for the top edge of the frame.
- 5**: Thin vertical strip, possibly a weatherstripping or seal.
- 6**: Another thin vertical strip.
- 7**: Thin vertical strip, possibly a weatherstripping or seal.
- 8**: Thin vertical strip, possibly a weatherstripping or seal.
- 9**: Horizontal frame or trim piece at the bottom.
- 10**: Small components for the bottom edge of the frame.
- 11**: A handle or knob.
- 12**: A lock mechanism.
- 13**: A bolt or latch mechanism.
- 14**: A label with the word "Ident" and a small icon.
- 15**: A small rectangular component, possibly a hinge or pin.
- 98**: A small rectangular component, possibly a hinge or pin.
