

[illegible]

A line drawing of a shower stall. It features a glass door with a black frame and a black handle. The door is set within a white frame. The floor of the stall is white and has a circular drain in the center. The walls are also white.

This exploded view diagram illustrates the assembly of a window blind. The components are numbered as follows:

- 1**: The main slat of the blind.
- 2**: A vertical support or guide rail.
- 3**: The large rectangular panel or screen.
- 4**: A vertical support or guide rail.
- 5**: A vertical support or guide rail.
- 6**: A small rectangular component, possibly a clip or fastener.
- 7**: A small rectangular component, possibly a clip or fastener.
- 8**: A small rectangular component, possibly a clip or fastener.
- 9**: A small circular component, possibly a washer or spacer.
- 98**: A small rectangular component, possibly a clip or fastener.

The diagram shows the relative positions and assembly sequence of these parts, with arrows indicating the direction of movement for assembly.
