

A 3D line drawing of a shower stall. It features a glass door with a black frame and a silver handle. The stall is set into a white tiled floor and has a white tiled wall on the left side.

This exploded view diagram illustrates the components of a window blind assembly. The parts are numbered as follows:

- 1**: The main slat of the blind.
- 2**: A vertical support or guide rail.
- 3**: The large rectangular panel or screen.
- 4**: A vertical support or guide rail, similar to part 2.
- 5**: A vertical support or guide rail, similar to parts 2 and 4.
- 6**: A small L-shaped bracket or clip.
- 7**: A small rectangular component, possibly a cap or end piece.
- 8**: A small rectangular component, possibly a cap or end piece.
- 9**: A vertical support or guide rail, similar to parts 2, 4, and 5.
- 98**: A small rectangular component, possibly a cap or end piece.

The diagram shows how these parts are assembled into a functional window blind system.
