

This exploded view diagram illustrates the assembly of a window blind. The components are numbered as follows:

- 1, 2, 5, 7, 9, 12, 13, 14:** Various slat and rail components, including top and bottom rails, side rails, and slats.
- 3, 11:** The main slat panels, shown with dashed boxes indicating internal components.
- 4, 10:** End caps or decorative finials.
- 6, 8:** Additional slat or rail components.
- 98:** A small component, possibly a clip or fastener, shown in a separate inset.

The diagram shows how these parts are assembled into a functional window blind structure.
