

This exploded view diagram illustrates the components of a window blind assembly. The parts are numbered as follows:

- 1**: Vertical slat
- 2**: Vertical slat
- 3**: Vertical slat
- 4**: End cap
- 5**: Vertical slat
- 6**: Bottom rail
- 7**: Vertical slat
- 8**: Bottom rail
- 9**: Small rectangular component
- 10**: Bracket with two screws
- 11**: Dashed rectangular area on the slat
- 12**: Vertical slat
- 13**: Long horizontal rod
- 14**: Vertical slat
- 15**: Small rectangular component
- 16**: Bottom rail
- 17**: Vertical slat
- 18**: Bracket with two screws
- 98**: Small rectangular component

The diagram shows the assembly of the blind, including the vertical slats, the bottom rail, and the end caps. The slats are connected by a long horizontal rod. The bottom rail is shown at the bottom of the assembly. The end caps are shown at the ends of the slats. The diagram also shows the assembly of the bottom rail to the slats. The bottom rail is shown at the bottom of the assembly. The end caps are shown at the ends of the slats. The diagram also shows the assembly of the bottom rail to the slats.
