

This exploded view diagram illustrates the assembly of a three-door cabinet. The components are numbered as follows:

- 1**: Vertical trim piece for the left door.
- 2**: Left cabinet door.
- 3**: Middle cabinet door.
- 4**: Right cabinet door.
- 5**: Small rectangular trim piece.
- 6**: Long horizontal trim piece for the base.
- 7**: Vertical trim piece for the right door.
- 8**: Vertical trim piece for the middle door.
- 9**: Vertical trim piece for the left door.
- 10**: Horizontal trim piece for the top.
- 11**: Long horizontal trim piece for the base.
- 12**: L-shaped trim piece.
- 13**: L-shaped trim piece.
- 14**: Dashed box containing two sets of hardware (handles and knobs).
- 15**: Hardware (handles and knobs) for the doors.
- 16**: Small rectangular trim piece.
- 98**: Small square trim piece.

The diagram shows the relative positions of these parts, indicating how they fit together to form the complete cabinet assembly.
