

[illegible]

-
- A 3D perspective diagram of a door in an open position. The door is shown as a gray rectangular panel with a black frame, hinged to a white wall. The floor is represented by a grid pattern. The door is swung open to the right, revealing the interior space.

This diagram illustrates the exploded view of the front door assembly. The components are labeled as follows:

- 1**: Main door frame or panel.
- 2**: Large rectangular panel, likely the door leaf.
- 3**: Vertical track or guide.
- 4**: Vertical track or guide.
- 5**: Small rectangular component, possibly a hinge or stop.
- 6**: Small rectangular component, possibly a hinge or stop.
- 7**: Vertical track or guide.
- 8**: Long horizontal track or guide.
- 98**: Small rectangular component, possibly a hinge or stop.

The diagram shows the relative positions and assembly sequence of these parts, with arrows indicating the direction of movement for components 1, 3, 4, 5, 6, 7, and 8.
