

[illegible]

- 
- A 3D perspective diagram of a room. The floor is a grid of squares. A door is shown in the center of the right wall, slightly open. The door is a light gray rectangle with a black frame and a black handle. The walls are white, and the ceiling is also white.

Diagram illustrating the assembly of the door panel (5) with the handle (4) and the hinge (2) and pin (1) components.
