

[illegible]

A 3D line drawing of a bathtub. A glass partition is installed at the end of the tub, supported by a vertical post. The partition is shown in a closed position, separating the tub from the rest of the shower area.

This exploded view diagram illustrates the assembly of the TV stand. The components are labeled as follows:

- 1**: Screws used to secure the side rails to the back panel.
- 2**: The long side rails of the stand.
- 3**: Small plastic spacers or spacers used to adjust the height of the stand.
- 4**: The main vertical support rail.
- 5**: The back panel of the TV.
- 6**: The top rail of the stand.
- 7**: The base plate of the stand.
- 8**: The TV screen.
- 96**: A warning icon indicating that the stand should be used on a soft surface to prevent damage to the TV screen.
